

GROUP CONTRIBUTION AGREEMENT

BACKGROUND

We, the colleagues of the National Library of Nigeria (NLN), have come together today, 27th April 2026, on our own free will to form a mutual contribution scheme. This arrangement is born out of trust and a shared commitment to support one another financially. We have all agreed to the terms written below and shall honour them throughout the duration of this scheme.

Every member will have their turn before the scheme closes in August 2026.

Payment must be made on or before the last working day of every month. No excuses for late payment will be entertained, as it directly affects the member whose turn it is to collect that month.
